

PRINTING

The Standard maintains a First-class Art Department equipped with up-to-date machinery and type to handle every class of Commercial and Society Printing with Promptitude, Accuracy, and Taste, at reason- able prices.

THE STRATHMORE STANDARD AND BOW VALLEY

An Independent Newspaper, circulating throughout the Western Bow Valley. It is the news and advertising medium of the following points in the Bow Valley: Ardenode, Baintree, Carseland, Chancellor, Cheadle, Dalemead, Dalroy, Irricana, Keoma, Langdon, Namaka, Nightingale, Standard, Strathmore, Tudor, etc. Official organ of M. D. Keoma, No. 249.

Is Your Standard Paid Up?
Month and year of expiration is shown on your address. Thus, May 22, indicates that your subscription expires May 22. Pay in advance. Post regulations require this.

Vol. XIV, No. 11

Strathmore, Alberta, December 13, 1922.

Subscription per Annum, \$2.00, Foreign \$2.50

IRICANA NEWS

Gouz and Wile, two enterprising young farmers of Iricana were successful in securing control of halibut fishing rights for the Duke of Sandringham Estate, British Columbia.

Frank Fenwick states he won't run for Mayor. We find walking congenial in our case, too.

George Bros. prospering. Home business is good. He has purchased a number of statements from local business men to swell the ranks of his line here.

Angus Bates Las returned from a trip to his old home in Ontario.

Rev. Mr. McNab on completion presented on Sunday an interesting service to a large and appreciative congregation.

Mr. Percy Hallam, one of the local provincial weed inspectors, is ill in bed. We hope Percy's services will be available again shortly.

No! Kind enough, the time William Oldenham established the motor road from Aeme to Iricana, Constable Naylor's car was behind—no front.

The Christmas King

The above is the name of the Christmas play given by the Chair Concert on Monday, December 18th, at 8:20 o'clock sharp, in the Union Church.

The programme is as follows:

1. Prepare the way. Introduction and opening chorus. Music by Fred B. Hart.

2. Give the Stolen Home. Solo, soprano and Alto, duet and chorus. Words by Mabel J. Rosemen.

Follow the Gushing Star, mens chorus.

4. Glorious Morn. Chorus, words by Ethel S. Tibbison.

5. And There Were Shepherds. Contra-tenor, Solo, Women's Chorus and Chorus.

6. The Star is Ringing Still. Solo, words by Mabel J. Rosemen.

7. Give to the World, Chorus. Words by J. Winter.

8. Cradle Hymn. Mezzo Soprano Solo with Choir Accompaniment. Martin Luther.

9. Praise Ye the Lord, Chorus.

10. And Last Year, Jesus. Mezzo Soprano and Baritone Duet. Words from an Ancient Hymn.

11. There Is Room in My Heart For Thee. Quartet. Words by Emily E. S. Elliot.

12. Come and Worship, Choir. Words by James Montgomery.

Part II.

This will consist of vocal and instrumental music and readings. The following well-known artists have very kindly consented to participate: Mrs. Thomas, Miss Lilliefield, Miss Lucy, Mr. C. A. Lockhart, Mr. G. H. Patrick, and Mr. B. Pleener.

An admission of 25 cents will be charged. Proceeds to the music and hymn book fund of the church.

COMING EVENTS

—

The annual general meeting of the Strathmore U. P. A. will be held in the King Edward Hotel, Strathmore, on Saturday, December 16th, 1922, at 7 o'clock, etc.

Friday at the Memorial Hall, in the evening, the play is M. S. Tellman's famous play "A Poor Married Man". The play with a smile a minute.

The picture on the left is M. S. Tellman, who in the centre is M. S. Tellman and that on the right is "Bill" Gray as they will appear next.

Strathmore Skating Rink Opened Monday

Strathmore's new skating rink was open for the winter on Monday night with Strathmore Citizens Band. The very cold weather, though there was a good crowd in attendance, was an enjoyable evening was spent.

The rink justified the expectations that had been held of it with regard to comfort etc. The waiting rooms, dressing rooms, and the refreshment room that has been erected here in the past, and from now on we can congratulate ourselves on having a perfect rink. The curling rink buildings are the north side of the rink and protects it to some extent.

Mr. Hobt. Laurle and wife were removing old arrangements here last week.

One carload of prime cattle was shipped out of here last week.

Nanika Faria shipped a carload of prime hogs.

Mr. C. W. Watson, Mr. W. J. McIntosh, Mr. J. V. Launde, and Mr. E. Thomas were visitors to Calgary this week.

Mr. Hobt. Laurle and wife left on Sunday night's train for a few days in the city.

On Monday evening of this week there was quite a bust and a young lady and a young man of the neighbourhood were missing and at this time of writing had not shown up. We were wondering if it was a case of resemblance.

The Amateurs have been working hard from some weeks past rehearsing for the show, and are confident of putting on one of the best sketches ever shown here.

There is a "Poor Married Man", and as there are many illustrations to draw from around this neighbourhood, the characterisation may be dependent upon to be true to life.

Follow this, so they better come along too, and see what one looks like, and if there is any family resemblance.

**Giving Instead
Or Receiving**

The man, when they found the infant Jesus, opened their treasures and presented to him gifts of gold, frankincense and myrrh. And the Master is remembered by one of his apostles when he said, "It is more blessed to give than to receive".

Give to the poor, and if you are keeping turkeys for Christmas, there are always choices in the Sabbath School and each is selecting the object for which gifts of Service and Substance will be made because "Inasmuch as ye do it unto one of the least of these, my brethren, ye do it unto me".

He who has given, has given; he who appreciates needs and services, also has done "White Gloves But The King" the very programme. The programme will be presented in the church on Friday evening, December 20, 1922.

NAMAKA NEWS

The annual meeting of the U.P.A. will be held in the L. O. O. F. Hall on Saturday December 16th. It is hoped a good attendance will be present this being the last meeting this year. Special business, election of officers.

Mr. Scheelby was on a visit to his ranch last week.

Mr. Hobt. Laurle and wife were removing old arrangements here last week.

One carload of prime cattle was shipped out of here last week.

Nanika Faria shipped a carload of prime hogs.

Mr. C. W. Watson, Mr. W. J. McIntosh, Mr. J. V. Launde, and Mr. E. Thomas were visitors to Calgary this week.

Red Cross News

Armed in festive red and green with a branch of bright holly and a sprig of ivy, the Red Cross girls of the Decatur Unit, leaving the Christmas greetings of the Red Cross to the thousands of Canadian girls and boys who are members of the Junior Red Cross. The girls are the ones that are the ideal being child of today as beautifully illustrated. The Red Cross Junior deserves to be known and read in every home in the provinces as it ranks high as illustrations and models in sentimental for the Red Cross.

The success of the venture is reflected when it is noted that farms are keeping turkey hens to produce for future litters. It is estimated that \$15,000 will be distributed among those who sold turkeys in this way. Some profitable side issues Brooks bulletin.

Provincial News

prime carloads of corn, or about 225,000 dozen, have been handled by the Edmonton Branch of the Provincial Government Poultry Marketing Board up to November 15th.

On November 15th, 1922, the first car load of 100-weight poultry was received and marketed. Carcasses have been received from Provost, Bown, Montrose, Consort, Vermillion, and other points.

The case arose out of a poker game played in Strathmore last January, in which the plaintiff was the victim of a cheater from the plaintiff for the purpose of winning in the game. The cheques totalled \$16. One cheque for \$40 or \$45 was honoured by the bank, but two for \$30 and \$25 were dishonoured. What happened in this case of this year.

The defence pleaded that the cheques were given in settlement of a gambling transaction which he alleged was illegal and contrary to the provisions of the Criminal Code and the Mines Act.

A profit of over \$1,200 on each carload of hogs was realized by the plaintiff in the sale of hogs at the market in the Prairie, north of Edmonton, the past week.

There were \$1 hogs in the shipment, the average weight being 172 pounds, and the top being \$9.00 per hundred.

Debtorates which have met the judgment during the past week, include one from the Women's Council, asking for extension of the Mother's pension, and others from the Alberta Department of Labour, asking certain changes in The Workmen's Compensation Act, and other legislation.

A profit of over \$1,200 on each carload of hogs was realized by the plaintiff in the sale of hogs at the market in the Prairie, north of Edmonton, the past week.

There were \$1 hogs in the shipment, the average weight being 172 pounds, and the top being \$9.00 per hundred.

Extraordinary Cure

A unique triumph of medical skill, one which creates a record in the matter of a case, was registered at the Medical College of the University of Alberta, when Dr. C. A. Lockhart, a year old infant from Vulcan, Alta., was brought back to life from a state of diabetic coma, from which, so far as anyone had known, he had not previously been a recoverer. This remarkable case was a record in this country, as it was manufactured by Dr. Collip, of the Medical Faculty of the University, and was the result of treatment by Dr. Collip and Dr. Heber Jamieson of Edmonton. Dr. Collip had last year been elected to the faculty of the Medical College of the University of Alberta, and Dr. Heber Jamieson to the faculty of the University of Alberta, and Dr. C. A. Lockhart, a year old infant from Vulcan, Alta., was brought back to life from a state of diabetic coma, from which, so far as anyone had known, he had not previously been a recoverer. This remarkable case was a record in this country, as it was manufactured by Dr. Collip, of the Medical Faculty of the University, and was the result of treatment by Dr. Collip and Dr. Heber Jamieson of Edmonton. CARSELAND NEWS IN BRIEF

School Board Receives Figures on Schools

Carseland School Board has received valuable information from the Department of Education in respect to the proposed new school building. The Department prepares plans and specifications for model two room school buildings which can be used as four-roomed schools if basement is used for classrooms. Under these plans a similar school building will be built this year. Among them are: Smoky Lake, with solid brick and basement, costing \$6500.; Rochester, \$7280.; White Mud 2 room frame building, with basement, \$1600. A building specially suitable for a school is to be built at Manories, cost \$7500., with basement, plenty of windows, so that it is used for classes making four roomed school accommodate 40 pupils in each of the two upper rooms.

The stork visited Mrs. Hill at Langeson on Thursday last and presented her with a girl weighing no less than twelve pounds.

The social and concert held at the church on Friday by the Ladies' Aid was not the success it should have been, due to the fact that there was lack of management, as comparatively few knew of the event, if not being advertised. The concert programme was reduced to one number as the other artists failed to appear. Nevertheless \$12 was obtained by the sale of work, etc.

Taxpayers who have not paid their 1922 school taxes are reminded that they can save themselves five per cent by paying them before January 1st. Bill Laurits has his panel always ready to make out their receipts.

Several of Bill's friends are asking on what scale baby was weighed if one of some of the twin scales they want her weighed over again. What?

Wes Wink is preparing to re-open his restaurant as is to have alterations made to his house so that it can be converted into a cafe.

Mr. and Mrs. Mike Brown will shortly vacate their present home next to the drug store.

Mr. George Coyle is spending a week in Calgary.

Mr. Wm. Laurits is agent for the Standard at Carseland, and copies of this paper may be obtained from him. Subscriptions, adv. and job printing orders will be given prompt attention.

Conference Postponed.

The conference of city mayors on effects on the new City Act drafted for discussion, has been postponed until December 12. The Act drafted by the legal officials of the government does not embody any government policy in the matter, but is merely the basis of discussion.

Boys Are Working On Radio Competition

Check of the count on the Standard and Rexall Drug Store Competition shows some changes in the standing this week, some of the candidates having jumped ahead.

Remember that at next week's competition, December 12th, the candidate who stands highest will receive a Waterman Fountain Pen, and the second highest a Sun-Rite Silver Pen.

So get your friends to give you their time for next Monday, December 12th, and work hard.

Progress Of Strathmore

Everyone living in Strathmore should be doing their best to improve it, whether it is in a business way, in recreation, in morality, religious education or otherwise.

Many of our people are doing their bit in this regard. Others there are who stand on the sidelines and criticize. There is no room in people of that kind in any western town. Their own inaction will finish them off sooner or later.

The members of the Town Council are anxious to help the Town along, but they have to have the assurance of the support of the ratepayers. In most cases, when something is done or about to be done, it is usually the objectors who are heard from, and one objector can make ten times as much noise as one who is in favor of a project, whatever it is.

The Town Council spent a great deal of time last summer in discussing the idea of a new town hall ground. They have not decided if yet because of the objectors. The same thing is in progress over next year, with similar results. The only one illustrating.

For Strathmore to succeed her business men must do their best, and not only to their own interests but to the interests of their family customers. Strathmore should be able to supply everything that customer can want. The town ought to be a glorified shopping center, and the merchants who operate it can do this, and it will be to the interests of everyone who is living here as well as to the people living in this district.

Strathmore has greater opportunities and possibilities for development than many other Western Towns, but development will not come without a try.

Keep these things in mind in readiness for the Municipal Election in February, and for your own business as well. The Council will generally do what the ratepayers want, but they have to know what they want.

Wm. Irvine Called By Ottawa Church

May Take Charge of Unitarian Ottawa Church During Session of House
Rev. William C. Irvine, M. P. for
Calgary East, has been called to take
charge, for the present, of the church
of Our Father (Unitarian) in Ottawa.
The church has been without a
minister since the departure of
Rev. Wynyard S. Heathcote, according
to word received in the city Sun
yesterday.

The arrangement under which Mr. Irvine will be called to Ottawa is
to give all necessary time to his
parliamentary duties.

Mr. Irvine was for a time in charge
of the Unitarian church in Calgary.
He recently returned from a trip to
Scotland.

Arrangements Not Permanent
It is understood that Mr. Irvine has
not committed to take charge permanently
of the Unitarian church at Ottawa.
Mr. Irvine was not in the city
Sunday night, but friends said he
had much of the call, and that the
arrangement was that Mr. Irvine
should preach in the Unitarian church
Sundays while he was present at the
session of the house of commons. Mr.
Irvine is expected to return to the city
Tuesday, when confirmation no doubt
will be forthcoming. — Alberta.
